## Numerical Order

### September 13, 2006

**For road condition information due to adverse weather contact the  
Indiana State Police at 800-261-7623 or 317-232-8298.**

(Northbound - NB, Southbound - SB, Eastbound - EB, Westbound - WB, Overweight - OW, Oversize - OS)

Road Type	Road No.	County	Description
SR	1	Dearborn	Restricted to one lane at Central Railroad bridge, 0.35 miles north of US 50 near Greendale, until October 2006 to replace bridge deck. Trucks over 40 foot in length will not be able to negotiate turns through the construction zone and should follow detour over I-275 and I-74.
SR	1	Dekalb	Road closed to rebuild Norfolk Southern RR crossing near Walnut Street, 0.4 mile south of SR 8, in Butler until September 15. The detour route via US 6, I-69 and SR 8 adds 19 miles for through traffic.
SR	1	Dekalb	Road Closed to rebuild Norfolk Southern railroad crossing, 4.2 miles south of US 6 in Butler, until September 15, 2006. Detour over SR 8, I-69, and US 6 adds 19 miles for through traffic.
SR	1	Jay	Intersection improvement work at SR 67 in Redkey may impact traffic.
SR	1	Wells	Road closed from Spring Street to Wabash Street in Bluffton from September 18 until September 24 for the annual Free Street Fair. Detour via Spring, Wayne and Wabash Streets adds 0.6 miles for through traffic.
SR	3	Rush	Shoulder restrictions from SR 46 to SR 44 for shoulder widening work until October 2006.
SR	5	Huntington	Closed for a culvert replacement between C.R. 500 S and C.R. 450 S. Official detour follows SR 124, SR 3, and US 224, and adds about 10 miles for through traffic.
US	6	LaPorte	Single lane closures, controlled by flaggers, from US 421 south of Westville to US 35 in Kingsbury for pavement resurfacing until October 2006.
SR	8	Dekalb	Road closed from Van Buren Street to Division Street in Auburn from September 24 until October 2 for the DeKalb County Free Fall Fair. Detour route via Van Buren, First, and Division Streets adds ½ mile for through traffic. Detour route for trucks via Grandstaff Drive and Auburn Drive adds ¾ mile for through traffic.
SR	9	LaGrange	CR 700 S west of the intersection closed until September 27, 2006. Detour follows CR 200 E and CR 600 S. S.R. 9 is restricted to 10-foot lane widths at intersection with CR 700 S.
SR	9	LaGrange	Road closed from US 20 to Factory Street in LaGrange for the annual County Corn School from October 2 until October 8. Detour via US 20 and Townline Road adds a quarter mile for through traffic.
US	12	Porter	Restricted to one lane in each direction from bridge over Burns Ditch, 1.07 miles west of SR 249 to 0.87 miles east of SR 149 for pavement resurfacing until November 2006.
SR	13	Elkhart	Reduced to one 10-foot-wide lane, controlled by temporary signals, at bridge over the Little Elkhart River in Middlebury, 1.73 miles north of US 20, until December 2006.
SR	14	Fulton	Road closed from SR 14 to US 31 until November 2006 to construct a new bridge over US 31. Marked detour route using SR 17 to SR 114 to SR 25 will add approximately 20 miles for through traffic.

SR	15	Elkhart	Restricted to one 11-foot lane, controlled by temporary signals, at the bridge over Keiffer Ditch, 0.62 miles north of US 6 for bridge deck rehabilitation until November 1, 2006.
SR	16	White	Restricted to one lane each direction @ US 421 for intersection improvement from 9 a.m. to 4 p.m. each day through November 2006.
SR	18	Grant	Bethlehem Road near Marion closed to through traffic from SR 18 to Monroe Pike. Detour follows CR 400 West to CR 100 South.
SR	18	Jay	Daytime lane restrictions between SR 1 and US 27 for asphalt resurfacing until October 28, 2006.
SR	19	Elkhart	Main Street will be closed in Nappanee from Randolph Street to Market Street (US 6), for the Nappanee Apple Festival. A detour route via CR 1350, CR 7 (Oakland Avenue) and US 6 will add 1¾ miles for through traffic. The closure will end at 4:00 p.m. Monday, September 18th.
SR	19	Kosciusko	Road closed at Welch Ditch, between CR 200 S and CR 100 S approximately 2.7 miles north of SR 25, to replace underground drainage structure until October 11, 2006. Detour via SR 25, SR 331, and SR 10 adds 7 miles for through traffic.
SR	19	Miami	Road closed to through traffic for pavement replacement between from SR 18 to just north of Quaker Avenue in Amboy until October 1, 2006. A marked detour route over SR 18, US 31, and SR 218 adds about 18 miles for through traffic.
US	20	LaPorte	Restricted to one through lane at intersection with US 421 for intersection improvement project through October 20, 2006.
US	20	LaPorte	Restricted to one through lane in each direction between I-94 and SR 212 with a lane width of 12-feet through November 4, 2006.
US	20	St. Joseph	Crumstown Road closed at US 31 until October 2006 for bridge replacement project. Marked detour follows Mayflower Road to SR 2 to Pear Road and will add approximately 5.6 miles for through traffic. Northbound and southbound passing lanes closed for bridge demo and construction.
SR	22	Howard	Road closed to through traffic between Berkley Road and Washington Street. Residential access is through side streets. McCann Street and Indiana Avenue closed from Walnut to Superior Streets until September 18, 2006. Detour follows Jefferson Street to Dixon Street.
SR	22/26	Grant	Work at intersection of SR 22 and SR 26 south of Upland continues until October 2006. North intersection with SR 22 will remain closed until September 18, with a detour route of I-69 and SR 26. On September 18, the south intersection with SR 26 will close until October, with a detour of I-69 and SR 22. West intersection with CR 700 S (Overlook Drive) will also have temporary lane restrictions for paving.
SR	26	Warren	Road closed to through traffic between US 41 and SR 55 to replace bridge deck over Big Pine Creek, near the west junction of SR 55, until October 13, 2006. Detour follows US 41 to SR 352 to SR 55.
US	27	Wayne	Traffic restricted to SB lanes for 1.5 miles north of I-70 until October 31, 2006. Each direction of U.S. 27 will be restricted to one, 11-foot lane during construction. NB traffic entering I-70 westbound will turn left at the signal north of the I-70 overpass until late September. Arba Pike at U.S. 27 will be closed until October 1, 2006 to reconstruct the intersection. Detour for that closure follows Tingler Road and Martin Road.
SR	28	Clinton	Restricted to one 11-foot wide lane in each direction in the town of Frankfort between US 421 and SR 29 for pavement resurfacing and curb ramps in the until September 30, 2006.
SR	28	Clinton	Restricted to one 11-foot wide lane in each direction between US 52 and US 421 for added travel lanes project until December 1, 2006.

US	30	LaPorte	Single lane closures for up to four miles in LaPorte and Starke Counties from SR 39 to 3.14 miles east of US 35 for pavement resurfacing until September 2006.
US	31	Bartholomew	Lane restrictions between I-65 and the north junction of S.R. 252 for pavement resurfacing until September 30. Resurfacing work near Edinburgh Premium Outlets will take place at night.
US	31	St. Joseph	Crumstown Road closed at US 31 until October 2006 for bridge replacement project. Marked detour follows Mayflower Road to SR 2 to Pear Road and will add approximately 5.6 miles for through traffic. Northbound and southbound passing lanes closed for bridge demo and construction.
SR	32	Madison	Daytime lane closures between SR 9 and Shoemaker Ditch, 2.29 miles east of I-69, for asphalt, curb and sidewalk replacement until November 1, 2006.
US	35	LaPorte	Traffic restricted to one lane in both directions at bridge over Grand Trunk Western Railroad near Kingsbury for bridge deck replacement project until November 2006.
US	35	LaPorte	Restricted to one through lane in each direction between I-94 and SR 212 with a lane width of 12-feet through November 4, 2006.
US	36	Marion	Oaklandon Road, between Pendleton Pike (US 36 / SR 67) and E. 75th Street, will be closed for bridge replacement until September 20, 2006. Detour follows Pendleton Pike to N. Carroll Road to E. 75th Street.
US	36	Parke	Restricted to one 10-foot wide, signal-controlled lane for new bridge construction, between US 41 and SR 59, until November 1, 2006.
US	36	Vermillion	Width restrictions 0.3 miles east of the Illinois state line for bridge replacement until November 20, 2006.
SR	37	Marion	Traffic restricted to one side of highway from I-465 to Banta Road until November 2006.
SR	38	Hamilton	Daytime lane closures controlled by flaggers between SR 47 and SR 32 for pavement resurfacing until November 3, 2006.
SR	39	Hendricks	Road closed at .63 and 1.9 miles south of US 136 for small structure replacement projects until November 3, 2006. Detour follows SR 236 to SR 75 to SR 234 to US 136.
US	40	Clay	Restricted to one 11-foot lane in each direction between the west and east junctions of SR 340 for asphalt resurface until November 2006.
US	40	Hancock	Daytime lane restrictions from CR 400 E to SR 109 in Knightstown for pavement resurfacing until November 2006.
US	40	Various	Traffic may be impacted Sept. 19-20 and Sept. 26-27 by the National Road Antique Car Tour. Participants will be travelling 40-50 MPH and may make frequent stops.
US	40	Wayne	Daytime lane restrictions in both directions between S.R. 3 and S.R. 1 for right-of-way clearing until September 29, 2006. WB traffic restricted to one lane during daylight hours between Brick Church Road and East Avenue in Mt. Auburn until September 15. Crews are widening the slope off the existing footprint of the road to accommodate future gutters and sidewalks.
SR	42	Morgan	Closed to through traffic at White Lick Creek, a 0.4 miles west of SR 267, for bridge deck replacement until October 15, 2006. Detour follows SR 39 to I-70 to SR 267.
SR	47	Boone	Daytime lane restrictions controlled by flaggers from Montgomery County line to S.R. 39 for asphalt paving until November 2006.
SR	47	Montgomery	Road closed between SR 234 and SR 32 for bridge construction until October 13, 2006. Detour uses SR 234 and US 231.
SR	49	Porter	Traffic restricted to SB lanes from I-94 to just past US 6 for pavement bridge preservation work until December 2006. Ramp closures: EB I-94 ramp to NB SR 49, WB I-94 to SB SR 49, US 6 exit ramps, US 6 entrance ramp to NB SR 49.
SR	54	Lawrence	Traffic over Goose Creek, 1.5 miles west of SR 37, restricted to EB lanes with signal control for bridge reconstruction until October 15, 2006.

SR	56	Dubois	Reduced to one lane, controlled by temporary signals, near Hillham Road South for bridge replacement project until December 2006.
SR	56	Ohio	Arnold Creek bridge, 0.08 miles east of SR 156, restricted to one lane with temporary signal for bridge replacement project until November 2006.
SR	56	Orange	Road closures in downtown French Lick for road reconstruction until November 2006. Bridge over French Lick Creek will be restricted to one lane for 90 days to allow construction of a new bridge. Detour for truck and through traffic follows SR 56 to US 150 to US 50 to US 231.
SR	57	Gibson	Lanes narrowed and restricted from I-64 / I-164 to SR 64 for pavement patching until December 2006. Motorists should expect delays and seek alternate routes when possible.
SR	62	Spencer	Restricted to one lane, controlled by traffic signals, to reconstruct two bridges over Longs Branch, .28 & .88 miles west of US 231.
SR	62	Spencer	Daytime lane restrictions controlled by flaggers between SR 161 and US 231 for resurface and underground drainage structure work until November 2006.
SR	63	Vigo	Restricted to one 8-foot lane in each direction at Springhill Road/Bureau Drive intersection, 1.8 miles south of I-70 for intersection improvement project until September 15.
SR	64	Crawford	Traffic restricted to 12-foot wide lanes between SR 145 and SR 37 for bridge work for the new SR 145 construction, until November 30, 2006.
SR	64	Gibson	Lanes narrowed and restricted from SR 57 in Oakland City to the SR 61 junction in Arthur until December 2006. Motorists should expect delays and use SR 357 to avoid the current construction.
I	65	Jackson	Periodic nighttime lane restrictions between SR 11 and SR 256 until October 31, 2006 for bridge painting at SR 11, Commiskey Pike, and CR 600 South.
I	65	Johnson	SB lane restrictions and a traffic shift at Greenwood/Main Street exit until September 2006 for an interchange improvement project.
I	65	Marion	Right lane closed from 9 a.m. to 3 p.m. from Kessler Blvd. to Lafayette Road to widen and upgrade Georgetown Road overpass until October 1, 2006.
SR	66	Spencer	Daytime restrictions from east end of four-lane section to US 231 for pavement resurfacing.
SR	67	Jay	Road closed to replace an underground drainage structure just north of C.R. 300 West until October 9. Local traffic will have access up to the point of closure, and the official detour for through traffic will be S.R. 1 to S.R. 26.
I	69	Allen	Restricted to one lane in each direction at Beckett's Run, 2 miles south of SR 1 (Dupont Road), from 11 a.m. to 3 p.m. each day until September 15 for deck patching and joint repair.
I	69	Delaware	NB and SB Pipe Creek Rest Area closed until late 2007 for reconstruction. Traffic shifts and periodic lane restrictions through September near rest area to build new entrance and exit ramps.
I	69	Delaware	Lane restrictions from SR 32/67 to SR 26 underground drainage structure work until November 2006.
I	69	Hamilton	Nighttime and shoulder restrictions for interchange ramp extension and reconfiguration at SR 37/116th Street interchange
I	69	Steuben	Restricted to one lane in each direction to rebuild bridges at SR 127 until November 5, 2006 and Lake George Road until October 10, 2006.
I	70	Hendricks	Single nighttime lane closures between Bridgeport Road and SR 267 for pavement patching until November 2006.
I	70	Various	Periodic restrictions to one lane in each direction between SR 59 and SR 267 in Clay, Putnam, Morgan and Hendricks Counties until November 17, 2006.

I	70	Wayne	Traffic near U.S. 27 interchange shifted to the right while crews strengthen median shoulders. In the work zone, trucks are asked to drive on mainline pavement in the left lane.
I	94	LaPorte	Nighttime lane and ramp closures from US 35 in Michigan City to the Michigan state line for pavement resurfacing until October 2006.
SR	103	Henry	Daytime lane restrictions from 2 miles north of SR 38 to US 36 for pavement resurfacing until September 15, 2006.
SR	110	Marshall	Daytime lane restrictions controlled by flaggers from SR 17 to SR 25 for pavement resurfacing until September 2006.
SR	116	Wells	Rolling road restrictions until October 14, 2006 for pavement resurfacing from SR 116 to SR 218. Road closed to replace underground drainage structure at Markley Ditch, 3.7 miles east of SR 1, until September 30, 2006. Detour route via SR 1 and SR 218 adds 3 miles for through traffic.
SR	119	Pulaski	Road closed over Dickey Creek 4.8 miles north of SR 16 for bridge replacement. Detour follows SR 16 to US 35.
SR	124	Adams	Road closed one mile east of SR 101 until September 27, 2006 for rebuilding the approaches to the bridge over Blue Creek. Detour route via SR 101 and US 33 adds 3¼ miles for traffic from SR 101 to Willshire, Ohio.
US	124	Miami	Road closed from SR 19 to Wabash in Peru for the American Huey 369 Benefit. Detour over SR 19 and Wallace Avenue adds 1.2 miles for through traffic.
SR	124	Wells	Daytime restrictions with flaggers between SR 1 and US 27 for pavement resurfacing until December 1, 2006.
SR	127	Grant	Restricted to a single lane by flaggers near I-69 on September 14 and 15 while a new I-69 bridge deck is being poured.
SR	129	Switzerland	Closed to through traffic between SR 56 and SR 250 through November 30, 2006, for road reconstruction
US	231	Montgomery	Restricted to one 10-foot lane in each direction 3.1 miles west of SR 32 for bridge replacement project until September 15, 2006.
SR	267	Hendricks	All traffic shifted to southbound lanes between US 40 and I-70 for road reconstruction until November 27, 2006.
SR	312	Lake	Eastbound traffic restricted to one travel lane for two block intervals between White Oak Avenue to Railroad Avenue and Melville Avenue to Huish Drive in East Chicago until November 30, 2006 for sidewalk repair and landscaping.
SR	327	Dekalb	Road closed 3.2 miles north of US 6 to replace a drainage tile from September 18 until September 21, 2006. The official detour route via CR 12 and CR 5 adds 1 mile for through traffic.
SR	332	Delaware	Rolling lane closures of varying lengths for up to 4 days between I-69 and Tilottson Avenue for pavement patching until December 2006.
US	421	LaPorte	Restricted to one through lane and one turn lane at intersection with US 20 for intersection improvement project through October 20, 2006.
US	421	Marion	Old U.S. 421 restricted to left lane in both directions between I-465 and Southeastern Ave. to remove and replace concrete until December 2006.
SR	421	White	Restricted to one lane in each direction at SR 16 for intersection improvement from 9 a.m. to 4 p.m. each day until November 2006.
SR	450	Lawrence	Road closed 16 miles east of US 50 for road reconstruction and safety improvements until September 2006. Detour follows SR 37 and US 50.
I	465	Marion	Up to two lanes closed between W. 86th Street and the Shadeland Avenue/56th Street exits each night between 7 p.m. and 6 a.m. for pavement resurfacing until November 2006. Traffic may encounter lanes of milled pavement for a short period before road can be repaved.

I	465	Marion	96th Street bridge over I-465 between Ditch and Spring Mill closed for bridge demolition and replacement until December 2006. Official detour follows Meridian Street to 86th Street to Ditch Road. Starting October 1, one direction of I-465 can be closed for up to 20 minutes at a time between 12 midnight and 5 a.m.
I	465	Marion	All traffic on 86th Street near I-465 interchange shifted to EB lanes until September 2006. All traffic on 71st Street near I-465 interchange shifted to EB lanes until November 2006.
I	465	Marion	Up to two lanes closed on the west side between the SR 67 and 56th Street exits each night between 7 p.m. and 6 a.m. for pavement resurfacing until December 2006.
I	465	Marion	Single right lane closures in both directions on the east side between I-69 and Pendleton Pike for installation of interstate sound barriers between 9 a.m. and 3 p.m. until December 2006.
I	465	Marion	Up to two lanes closed between 7 p.m. and 6 a.m. each night near the East 75th Street overpass for bridge painting until October 1, 2006.
I	465	Marion	Right shoulder closed at the bottom of SB exit ramp at Pendleton Pike to widen existing pavement until September 29, 2006.
I	469	Allen	Night and weekend bridge repair until September 25 work may restrict I-469 down to one lane in each direction at bridges over: US 30 east junction, Dawkins Road, NS railroads, US 24 east junction, Maumee River & North River Road.
I	865	Boone	One lane closed at the interchange with I-465 to stage Northwest FastTrack construction until November 2006.
